Pastor's Message

Reflections on the Third Sunday in Ordinary Time:

When we have faith in the power of Jesus great things happen in our lives. In these times of challenge it is wise to remember that the ordinary signs of God's love are always around us. The Word of God is given for the life of the community. Our daily living is God's Word made flesh among us. Today's Gospel is all about hope. We are the hope to the extent that we individually and collectively take seriously what Jesus has invited us to become both as individuals and as a church. By virtue of our Baptisms, when we carry on the work of Jesus, we can be a powerful force for the positive. We need to take God's Word to heart, and we must never lose our zeal for God's Word. Being people of faith, hope, and love we are invited to build God's kingdom of love, justice, and mercy. We spread a message about Jesus by the words we use and the example we set. We are invited to make a difference in the lives of other people by how we speak of God to other people. We are invited to make a difference in the lives of other people by the way we share of our time, talents, and treasures.

Blessing of Throats:

Next weekend, during the weekend Masses, throats will be blessed in honor of St. Blaise following the Prayers of the Faithful.
