Our Catholic Appeal goal is \$30,911. To date, we have raised \$13,383.82, which is 43 percent of our goal.

Catholic Appeal:

All of the parishes in our Archdiocese have greatly benefited from the Catholic Appeal over the years as have so many others. The Catholic Church each day helps people to discover a loving God and helps people to find ways to overcome addictions. In addition to this, people in ministry and other members of the Church are with people in their time of need and journey with people on their final steps. This year's theme is "This is our Church" which shows us the importance of everyone. When we support the Catholic Appeal, we support the Church and each other.

"My God, my God, why have you abandoned me?"

~ Psalm 22

Reflections on Palm Sunday

This is the most sacred and solemn of all weeks in the Church year. This is a week for repentance, forgiveness, and spiritual renewal. This is also a week to ask some reflective questions in a prayer-filled way. What has been awakened in us this season of Lent, and how are we sharing this with others? How have we helped others this Lent to better know and live their faith? What does Holy Week mean to you? Each of us has a lot to be grateful for as we know in our hearts.

I hope all of us will find extra time this week to be still in prayer. I encourage all to take part in as many spiritual events as possible, and please bring a friend and/or family member. If somebody has been away from Church for a long time, what a wonderful time to return. A good reflection for this coming week is to read and pray Jesus' great discourse on love, Chapters 13-17 of the Gospel of John. Please have a blessed and graced-filled week.

Thank You:

Our thanks to all who recently made our Lenten Collaborative Retreat such a spiritually-enriching event for all who attended the retreat.

Easter Collection:

The entire Easter collection goes to the support of the sick and retired priests of this Archdiocese. Many of you know of the wonderful priests who have lived here and done great work in these two parishes. Now they need our help. Please be as generous as your means allows.

We will leave the Light on:

Confessions will be heard on Wednesday evening April 17th from 6:30 to 8P.M. at both St. Bernadette and St. Mary Parishes. This is a wonderful way to prepare to celebrate the sacred Triduum and the feast of Easter.

Sacred Triduum:

Lent is a time of preparation for the sacred Triduum. The three days before Easter are considered as the high point of our faith. These are three very solemn days. By taking advantage of the remaining time in Lent, we can break open and reflect upon the meaning of the Triduum before it is upon us. Please plan on taking part in the services of Holy Week and the Sacred Triduum.

Upcoming Surgery:

I ask your prayers and understanding. Some of you have recently asked me about my walking. I have a hernia, and I will be operated on to repair it at the end of May. This has limited my energy and my ability to stand for too long a time. Therefore, if you see me sitting at times during upcoming services for Holy Week and Easter, please forgive me. I have been told that I will recover fine. Thank you.
