His Eminence Cardinal Sean is urging us to take care of each other, and to daily pray the Rosary. Prayer is such an important time in our lives to help us through each moment.

Cardinal Sean also said this:

"Please remember that your parish communities depend on the offertory collection and will need your support going forward to carry on their crucial work."

Parish Support

Thank you !!

For mailing in or dropping off your weekly support envelopes!
We continue to check the mailbox every day and truly need and appreciate your support!

The Archdiocese has begun a special 90-day on-line option for parishioners to make donations to their parishes.

Pastor's Message

Easter Sunday April 12, 2020

My dear friends in the Lord Jesus,

We are living in times of challenge and uncertainty, like we have not seen before. I miss not being with you, but am grateful for being able to live stream the Mass and other services.

The daily readings this Lent and what we are living through have raised our awareness and given us opportunities to examine our lives. The Sunday readings and the kind expressions of love from so many have raised our awareness of all the wonderful works of love and healings that Jesus brings to his people on many different levels.

This year more than ever we need to continually be seeing signs of hope.

Throughout all of this we are reminded of how God walks with us.

Jesus who walks with us is risen from the dead!

Easter is a time of remarkable hope.

Jesus' death and resurrection bring new meaning to everything. We need hope.

Each of us is invited to find the risen Jesus in different places such as: the breaking of the bread, or communicating with the sick and the suffering, in service to others, and in other ways as well.

Look at the ways our first responders and others are showing us all how sacred life is. Jesus showed us that every life is sacred and special. Today we pray that all will be healthy and that the world will return to normal.

We pray that all who lead us may be inspired by God.

On this Easter we pray for all to whom we owe a dept of thankfulness for who they are.

Thank you for all who continue to support our parishes and our collaborative. You know how much we need your prayers and financial help to continue to function in these difficult times.

Thank you to all who make our liturgical live stream celebrations beautiful and spiritual; by their gifts of music, ministries, or other ways.

Thank you for being who you are. You are in my thoughts and prayers.

Please have a blessed, safe and wonderful Easter Season.

May we pray for and

check on each other.
